# Luís Simões

## SOFTWARE DEVELOPER

I am an enthusiast for technology, with a strong passion for learning and a commitment to continuous improvement mostly in Backend Development. Adaptable, disciplined, and growth-oriented, I thrive in challenging software development environments, contributing effectively to team success while expanding my expertise.

## Experience

**09/2024 - 11/2024**

**Junior Java Developer** at HumanIT

- Participated in a Java Academy, developing skills in Java 21, Spring Framework, and Spring Boot.
- DevOps and Scrum methodologies.

**12/2020 - 06/2021**

**IT Team member** at Escola Secundária da Boa Nova (Internship)

- Maintained IT school equipment.
- Developed a website for the course.

## Projects

**05/2023 - 07/2024**

**Qualitask**

- Developed a web-based work period management system with role-based access control.
- Key features: attendance tracking, absence management, overtime calculation, and schedule assignment.
- Implemented using Laravel with a MySQL database, leveraging Blade for the frontend and Laravel's built-in authentication for secure user management.

**05/2021- 07/2021**

**Final Level 4 Course Project**

- Created a dynamic website in Dreamweaver to provide a database of computer equipment available in classrooms.
- Developed using PHP and HTML, with a MySQL database.
- Allowed inventory maintenance and reporting of technical issues.

# Education

**06/2023 - 11/2024**

**Technical Course in Computer Management and Programming**

**Systems (Level 5)-** ATEC Academia de Formação

- Programming Languages: C#,C++.
- Web Development: HTML, CSS, Bootstrap, JavaScript, PHP, Laravel.
- Database: SQL, SQL Server.
- Operative Systems: Windows 2019 Server, Linux Debian.
- Networking: Cisco Packet Tracer.
- Other: Git, GitHub, APIs.
- Website: [www.atec.pt](http://www.atec.pt)

**09/2018 - 06/2021**

**Technical Course in Computer Management and Programming**

**Systems (Level 4)-** Escola Secundária da Boa Nova

- Programming Languages: C++, Java.
- Web Development: HTML.
- Database: MySQL.
